Once upon a time, Antigua was the most important British military base in the Caribbean and a favorite hiding spot for pirates. Today, along with its tiny sister island of Barbuda, it's a vacationer's dream, with secluded beaches of powder-soft sand and legendary warm winds that reward it with low humidity year-round.

You could go to a different beach every single day of the year on this island, ranging from ones bustling with activity to others so private you'll have them all to yourself. There's even a clothing-optional beach called Eden in Hawksbill for when you're ready to go *au naturel*.

ANTIGUA: SIGHTSEEING

Cades Reef – Sail & Snorkeling Full Day / Island Routes

Enjoy a relaxing Caribbean experience aboard the catamaran Mystic, cruising to Cades Reef to snorkel Antigua's largest reef. Enjoy a fresh BBQ lunch, then anchor at a secluded bay and swim or just bask in the sun while the crew brings you drinks. After beach time, sail north along the west coast with the music turned up and the bar open.

Canopy & Kayak Combo

Hop aboard a specialized 4x4 Land Rover for a scenic drive into the heart of Antigua's tropical rainforest, where you can zip across breathtaking traverses through the lush canopy. After refreshments, continue on picturesque Fig Tree Drive to South Coast Horizon Eco-Park, where you'll kayak across the mangroves to Cades Beach, site of Antigua's largest coral reef. Avid snorkelers can take a short boat ride out to the reef and explore. A delicious local lunch will be served.

Deep Sea Sport Fishing Half-Day / Island Routes

Head out onto the open waters off the coast of Antigua, one of the most thrilling fishing grounds in the entire Caribbean. Now you can brag about your own amazing catch, as you take advantage of the 31' Betram fishing boat, arguably the world's best fishing platform. Hop aboard with the expertise of the captain and crew, who know the optimum spots to catch blue marlin, wahoo, dolphin (mahi mahi), tuna, and sailfish, just to name a few.

Eco-Tour Adventure (West Coast)

Full Day / Island Routes

A day spent on this catamaran tour leaves you knowing so much more about this beautiful island. Visit the secret spots of Antigua's North Sound, a large unspoiled area off the mainland consisting of 22 little islands, countless reefs, flats, and mangrove nurseries – truly off the beaten track. Stop for snorkeling, caving, a small hike, swimming, and lots of sightseeing. Refreshments and a delicious lunch complement your tour.

Island Safari Eco Kayak Half-Day / Island Routes

Begin this tour by off-roading through Antigua's countryside before kayaking to North Sound National Park to see the fragile natural ecology of the mangroves, the habitat of exotic marine animals and plants. Then continue to uninhabited Bird Island for lunch, and climb into the hills for a fascinating panoramic view of where the Atlantic Ocean and the Caribbean Sea merge. The colorful reef below offers a perfect spot for snorkeling.

Island Safari 4x4 Half Moon Adventure

Full Day / Island Routes

Visit the most stunning scenery Antigua has to offer during this fun-filled day that takes you to the rainforest, tranquil Wallings Dam, an incredible view of the Falmouth Harbor, and the Donkey Sanctuary. Enjoy a Caribbean lunch at the Road House Cafe in Newfield Village. Witness the beauty of isolated Willoughby Bay with its many coral reefs, and the mystique of Half Moon Bay, where you can stop for a refreshing swirn.

Lovers Rock Sunset Cruise Half-Day / Island Routes

Sail off into the sunset on this romantic cruise. Munch on delectable appetizers and sip exotic cocktails, including our catamaran signature drink, as the sea becomes ablaze with fiery color. Sway to the rhythms of Caribbean sounds or simply steal away, finding a quiet spot to be alone together. There's nothing quite like a Caribbean sunset at sea to reawaken the fires of love or to ignite memories that will last a lifetime.

Segway and Historic Tour Half-Day / Island Routes

Following a complete orientation, board a Segway and travel back in time to 1706 when the British built the impressive Fort James to protect against French invasion. You'll be amazed at how easy it is to maneuver the Segway as it carries you through the large wooden gates of the fort, overlooking the Caribbean Sea. Enjoy delicious refreshments and cool drinks, then continue cruising by parks, landmarks, attractions, birds, fruit trees, and miles of beach.

Stingray Swim and Snorkel Half-Day / Alexander Parrish

Sail upon the calm, crystal-clear waters surrounding the coral reef, home of the stingrays. Disembark onto a floating platform where a local guide will issue snorkel equipment and give an instruction and safety briefing before entering the water. Gently touch, feed, and photograph these friendly stingrays. Interact with other local marine life in the enclosure including crabs, lobster, shellfish, and starfish. Finish the day with a refreshing rum or fruit punch.

Climate

The Bahamas have a typically subtropical oceanic climate, warmed by the Gulf Stream in winter and cooled by trade winds in summer. Average temperatures range from 75°F in winter to 84°F during summer. Average annual rainfall is 46".

Marriage Requirements

Couples may apply a day after their arrival and can be married once they receive their approved license the day after application. Passports, birth certificates, photo IDs, and divorce/death certificates (if applicable) are required. The fee for a marriage license is \$120.00 (USD).

A series of over 700 islands and more than 200 cays just off the east coast of Florida, The Bahamas plays host to adventure seekers and tourists looking to escape into the beauty of the Caribbean. All powdery sand and endless beaches – and barely rising above sea level – the islands of The Bahamas are a popular, affordable, and easily reached retreat.

Beyond the sands are the sophisticated pleasures of New Providence (home of Nassau, the capital, and popular Cable Beach), Paradise Island, and Grand Bahama, where glitz, gambling, top cuisine, great golfing, nightclubs, and world-class spas are found.

Entry/Departure Requirements

Your US passport must be valid at time of entry; 1 page required for entry stamp. A visa is not required for stays up to 6 months. There is a departure tax of \$27.50 (USD); additionally, passengers flying outside of the Caribbean region pay \$70.00 (USD) per person, and those flying within the Caribbean pay \$35.00 (USD) per person; most airlines include this with the cost of the ticket.

Climate

It is generally warm and sunny all year round with an average daytime high of 75-85°F, cooled by trade winds. Average annual rainfall is 46.7".

Marriage Requirements

There is no required waiting period or minimum length of stay to get married in Barbados. Application for a marriage license must be made by both parties in person at the office of the Ministry of Home Affairs in the capital city of Bridgetown. Valid passports or birth certificates, return tickets, and divorce/death certificates (if applicable) are required.

Though it's been an independent country since 1966, Barbados still embraces its roots as a former British colony. A cricket match followed by afternoon tea is a normal occurrence, and locals still speak with a British accent.

The island's pink or white-sand beaches, clear turquoise waters, and historical past make Barbados a continually popular tourist destination. Delicious seafood can be found at dozens of outdoor cafés, and the favorite local libation is made at the Mount Gay Rum Factory.

BERMUDA

Approximate Flight Times

New York/Newark 2 hours Philadelphia 2½ hours Boston 2 hours Chicago 5 hours 2½ hours Miami Los Angeles 7½ hours (some flights may require connections)

Entry/Departure Requirements

Your US passport must be valid at time of entry; 1 page required for entry stamp. A visa is not required. There is a Bermuda airport departure tax of \$35.00 (USD), included in airfare.

Climate

Bermuda has a mild subtropical climate and is warmed by the Gulf Stream. The average annual temperature is 68-76°F; average annual rainfall is 48".

Marriage Requirements

There is no required residency for couples planning to marry in Bermuda, however, couples must post their Notice of Intended Marriage Form with the Registrar General's Office; a license is issued 15 days after the Notice is published. A divorce certificate (if applicable) and a fee of \$300.00 (USD) are required.

Bermuda's proximity to the East Coast might make it seem like a quick getaway, but its pastelcolored and white-roofed colonial homes, pink beaches, and cerulean seas suggest that it's a world away.

The capital city of Hamilton looks as though it popped out of a postcard. Well-manicured lawns, refined manners, and its famed "Bermuda shorts" are all nods to the Atlantic island's British past. Upscale galleries, restaurants, and shops selling crystal, cashmere, and china can be found throughout the island.

Entry/Departure Requirements

Your US passport must be valid at time of entry; 1 page required for entry stamp. A visa is not required for stays up to one month. There is a BVI airport departure tax of \$20.00 (USD), usually included in airfare.

Climate

The BVI has a subtropical climate, moderated by trade winds. Temperatures in summer average from 79-88°F and between 72-82°F in winter. Average annual rainfall is 45".

Marriage Requirements

Couples must apply for a license at the Attorney General's office in Tortola and pay a \$110.00 (USD) mandatory fee. Valid passports, birth certificates, and divorce/death certificates (if applicable) are required. Two witnesses must be present. The processing period is 3 days.

Each of the British Virgin Islands are unique, appealing, and can suit any vacation wish. Tortola can be bustling with fun-loving crowds, while laid-back Jost Van Dyke has less than 300 friendly inhabitants. Anegada is the only coral island in the chain, and Virgin Gorda is home to yacht clubs and exclusive resorts.

With 60 islands to drop anchor on, the BVI is a wonderful destination for sailors. There is also a low-key vibe almost anywhere you go, and even though there's an array of luxurious resorts to be found, the emphasis is on relaxation and easy fun.

Entry/Departure Requirements

Climate

The Cayman Islands have a tropical maritime climate, with average temperatures between 72-88°F year-round, and average annual rainfall of 46".

Marriage Requirements

Couples must obtain a non-resident marriage license for a fee of \$250.00 (USD); applications are available at the Chief Secretary's Office in Georgetown. The Caymans are three beautiful islands: the largest, cosmopolitan Grand Cayman, is great for dining, nightlife, and the amazing Seven Mile Beach. Cayman Brac is a great off-the-beaten-path spot with only about 1,800 residents and a lovely rugged charm. Little Cayman is tranquil and the ideal island getaway spot.

There is literally something for everyone here; families, couples, sports enthusiasts, and divers. In fact, Little Cayman's Bloody Bay Marine Park is one of the world's legendary dive sites, where a sheer coral wall begins at 20 ft. and plunges to 6,000 ft.

Entry/Departure Requirements

Your US passport must be valid for duration of trip, plus a return or onward ticket is required, and if requested, proof of sufficient funds to cover accommodations and food during your stay; 1 page required for entry stamp. A visa is not required. There is a Curaçao airport departure tax ranging from \$15.00-\$42.00 (USD) depending on destination, usually included in airfare.

Climate

Curaçao has a semi-arid climate thanks to northeast trade winds. The average annual temperature ranges from 79-84°F, and average annual rainfall is 22".

Marriage Requirements

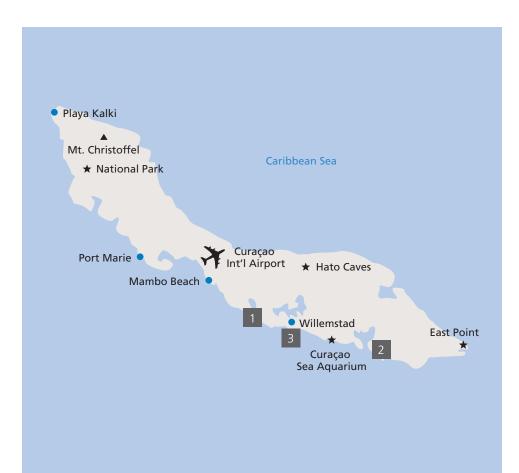

Couples are required to notify the Curaçao Registrars Office 2 months in advance of the planned wedding date. Valid passports, birth certificates, and divorce/death certificates (if applicable) are required. The cost is \$167.00 (USD), and the waiting period is 3 days. A witness must also be present.

Curaçao is the "C" of the ABC Islands (following Aruba and Bonaire) that lie north of Venezuela, and is an ideal vacation destination. The climate is perfect year-round, and the colorful Dutch architecture in the capital city of Willemstad is a UNESCO World Heritage site.

Clear blue waters make the island a great place for swimming, snorkeling, and diving, while its beautiful landscape invites further exploration. Non-divers can still get up-close and personal with the undersea world by taking a trip 1,000 ft. down on the mini submarine *Curasub*. There's also a wealth of history to be discovered. The oldest synagogue in the Western Hemisphere is here, and the Kura Hulanda Museum documents the forced relocation of Africans to the New World from the 17th through 19th centuries.

GRENADA

Approximate Flight Times

New York/Newark 6½ hours
Philadelphia 6 hours
Boston 7 hours
Chicago 6½ hours
Miami 3½ hours
Los Angeles (some flights may require connections)

Entry/Departure Requirements

Your US passport must be valid 6 months beyond the date of entry, and evidence of return/onward travel arrangements is required; sufficient space is necessary for a standard quarter-page entry stamp. A visa is not required. There is a Grenada airport departure tax, included in airfare.

Climate

Grenada has a tropical climate cooled by northeast trade winds. The average annual temperature is 80°F. Average annual rainfall ranges from 40" in the southwest to 150" in the mountains.

Marriage Requirements

Grenada law requires residency on the island for a minimum of 3 days before applying for a license, after which an application is made in person at the Office of the Prime Minister. Generally, the license is ready within 2 working days. Valid passports, birth certificates, and divorce/death certificates (if applicable) are required. Fees total approximately \$32.00 (XCD).

Grenada might just be the Caribbean's best-kept secret. There are white-sand beaches, clear waters, and even a rainforest. Plus, its small size means you can experience absolutely everything this lovely island has to offer.

First, the beaches are simply beautiful. Grand Anse is a popular spot with both tourists and locals, but there are also plenty of quiet romantic spots if you need a bit more seclusion. La Sagesse, Bathway, and Levera Beach are great for undisturbed R&R. And whether it's fine dining or a casual bistro lunch, there dozens of great restaurants to enjoy a delicious meal with a romantic view of the sea.

The beaches, the food, the music, the people – what's not to love in Jamaica?

Sipping some of the best coffee in the world on a quiet beach in Negril, climbing the cascading waters of Dunn's River Falls, or lazily coasting down the Martha Brae River near Montego Bay, everything is a memorable experience in Jamaica.

Even though the country is a hotspot for tourists, there are still little quiet corners to explore like the lush Blue Mountains or Cockpit Country, which has been described as one of the most untouched areas in the West Indies.

JAMAICA: SIGHTSEEING

Bamboo River Rafting

Half-Day / Island Routes

Board a 30-foot bamboo raft for an authentic Jamaican experience. Your experienced captain will skillfully pole the raft and navigate the jade-green waters of the Martha Brae River in the Parish of Trelawny. Trail your hand in the shimmering waters and gaze into the trees filled with colorful birds and exotic flowers. Surrender to the romance of the moment, experiencing a truly Jamaican pastime as you float in the glistening waters, shimmering with the rays of the sun.

Chukka Jeep Safari Half-Day / JTL Tours Limited

Go off-road on this Jeep 4x4 journey through rugged, unspoiled backcountry to explore Jamaica's hidden beauty, culture, and history. Enjoy your personal driver's stories of Jamaican life as he chauffeurs you over the rocky terrain. Tour a former slave hospital that was converted to a church in 1846, and take a brisk river walk through tropical foliage to discover spectacular hidden waterfalls and natural mineral pools with the sounds of exotic birds in the background.

Chukka Jungle River Tubing Half-Day / JTL Tours Limited

Go river tubing down Jamaica's Great River during this excursion from Negril. Relax and lounge in the sun as you float lazily through some of the most beautiful areas of the island, then shoot the rapids through the Jamaican jungle. Learn about the surrounding flora and fauna from your guides. Look for local wildlife along the banks of the river as you glide by.

Deep Sea Fishing

Half-Day / Island Routes

The very best in deep-sea sport fishing beckons off the coast of Jamaica, one of the most thrilling fishing grounds in the Caribbean. Take advantage of an unbelievable fleet of customized fishing boats, including a 46' Hatteras and a 31' Betram. Our captain and crew know the best spots to catch blue marlin, wahoo, dolphin (mahi mahi), tuna, and sailfish, just to name a few. The sun is shining, the drinks are icy, and the fish are biting.

Dunn's River Falls

Visit the world-famous Dunn's River Falls, one of Mother Nature's most amazing works of art. Experience an exhilarating climb up 600 feet of cascading waterfalls while enjoying one of Jamaica's most thrilling attractions. Dunn's River sets the perfect scene for fun-filled adventure for the entire family.

Horseback Ride 'n' Swim Half-Day / Island Routes

Explore the incredibly gorgeous countryside of Jamaica on horseback. Amble through a tropical rainforest atop a sleek, gentle mare or serene stallion. Ride along a cliff and feast your eyes on panoramic vistas of the Jamaican coastline with the aquamarine ocean sparkling in the island sunshine. Then cross the white sand of a pristine beach on horseback and enter the warm waters of the Caribbean. Trot through the crystal seas together, and enjoy the ride of your life.

PUERTO RICO

Approximate Flight Times

New York/Newark 4 hours
Philadelphia 4 hours
Boston 4 hours
Chicago 4½ hours
Miami 2½ hours
Los Angeles 8½ hours
(some flights may require connections)

Entry/Departure Requirements

US citizens traveling directly to or returning from Puerto Rico do not need a passport or visa for entry. There is no Puerto Rico airport departure tax.

Climate

Puerto Rico has a tropical climate with average annual temperatures ranging from 70-90°F in the lower elevations and 60-80°F in the mountains. Average annual rainfall is 52.9", though amounts vary widely across the island.

Marriage Requirements

Both parties must appear at the City Court office to purchase a marriage license. Blood tests, photo ID, and divorce/death certificates (if applicable) are required. A medical certificate and VRDL blood test, both from a physician in Puerto Rico, are needed. The couple must visit the Marriage License Bureau to authenticate all documents.

Dare to discover why Puerto Rico is called the Island of Enchantment. The combination of fascinating culture, beautiful scenery, diverse attractions, and warm people make this Caribbean gem a world-class destination. Be captivated with its nearly 300 beaches, the only tropical rainforest in the United States, impressive cave systems, and astonishing landscapes.

Soak in the vibrant culture through the music, arts, architecture, and prominent museums. Also set out to enjoy the trendy nightlife and exquisite cuisine. Whether you're seeking to relax, find adventure or embrace the urban charm, you will have an unforgettable experience on the island.

Old San Juan

PUERTO RICO: SIGHTSEEING

Bioluminescence Kayak Adventure

Half-Day / Rico Sun Tours

Don't let your day end when the sun goes down – take a relaxing kayak tour at sunset that leads to the fascinating lagoon at Las Cabezas de San Juan Reserve, where the waters glow with bioluminescent organisms. It's an unforgettable experience available only in five lagoons around the world – and Puerto Rico holds three of them.

Canopy Adventure Tour – Zipline

Half-Day / Rico Sun Tours

Have an eco-tourist adventure in Puerto Rico with a zip-lining excursion through a forest. Zip along eight traverses, 14 platforms, and one rappel with custom aerial platforms. During these flights, you'll appreciate Mother Nature's marvelous views not seen from the ground. An expert nature/adventure guide will lead your group through a treetop canopy, assuring an exhilarating experience for the whole family.

Colonial Ponce City Tour Full Day / Rico Sun Tours

Get a perspective on the other side of the island, as the city of Ponce unveils an enchanting portrait of rich colonial history, art, culture, and picturesque views. The tour includes Museo de Arte de Ponce or Tibes Indian Ceremonial Center (venues may vary). It also spotlights major sites like Serralles Castle, former home of the island's oldest rum-producing family, and the town's main square, which features a prominent fountain, iconic old firehouse, and Ponce Cathedral (Our Lady of Guadalupe Cathedral).

Casa Bacardi & Plaza Las Americas

Full Day / Rico Sun Tours

Across San Juan Bay lies Bacardi, the world's largest rum distillery. At Casa Bacardi, explore the visitors center and learn about the past, present, and future of the Bacardi company, family, and brand. A complimentary cocktail at the open-air pavilion is included, and the gift shop sells exclusive Bacardi products. Continue your shopping spree at Plaza Las Americas, the largest mall in the Caribbean.

Rainforest Eco Wonder

Full Day / Rico Sun Tours

Discover the exotic vegetation of El Yunque, the only tropical rainforest in the U.S. National Park System, featuring over 240 species of plants and wildlife, waterfalls, streams, and hiking trails leading to enticing locations. With a professional guide, you'll visit El Portal Visitor Center, La Coca Falls, and a low/moderate impact trail to admire the flora and fauna.

Sailing & Snorkeling Full Day / Rico Sun Tours

Sail, snorkel, and picnic at an island paradise. Board a catamaran for a leisure sail to an uninhabited island, where you can enjoy the crystal-clear waters of the Caribbean, collect shells, sunbathe, wade, and swim offshore. Complimentary lunch (buffet style with fruits, cold cuts, and salads) and tropical drinks will be served. Non-swimmers as well as swimmers can take advantage of professional instructions in snorkeling to fully view the diverse ecology.

Your US passport must have six months validity at entry; 1 page required for entry stamp. A visa is not required for stays under 90 days if you have an onward or return ticket, confirmation of accommodation, and can produce evidence of your ability to maintain yourself. The St. Barths airport departure tax is included in airfare.

Climate

St. Barths' climate is arid tropical maritime, with trade winds from the northeast. Average temperatures in coastal areas range from 72-86°F and from 66-81°F in inland areas. Average annual rainfall is between 30-44".

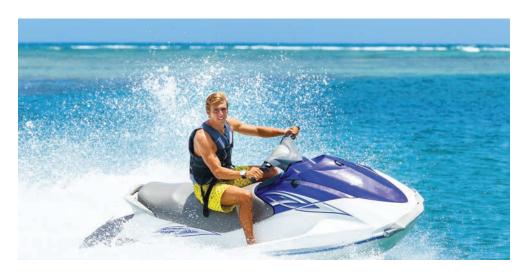

Marriage Requirements

Only St. Barths residents can have a civil marriage ceremony in St. Barths, however you can arrange to have a church marriage ceremony or wedding blessing on the island.

The French-speaking island of Saint Barthélemy has long been known by its abbreviated name and continues to be a favorite playground of the rich and famous.

It's easy to see why it's so popular with the well-heeled. Small and unspoiled (just 8 square miles), there are beautiful hotels with stunning views, white-sand beaches, and warm blue-green waters.

Even exploring under the sea is done in high style here. A semi-submersible submarine with just 22 seats in an air-conditioned passenger cabin will bring you face-to-face with schools of colorful fish without ever having to strap on an oxygen tank.

The sister islands of Saint Kitts and Nevis are only about a mile apart and sit between the Atlantic Ocean and Caribbean Sea. Once the home of 18th-century sugar plantations, they remain an unspoiled destination of quiet beaches, rainforest, and a dormant volcano that's home to a crater lake. Green vervet monkeys and friendly locals make these islands always an inviting place to visit.

Basseterre is the "downtown" of the islands and site of its historic colonial remnants, including St. George's Anglican Church, Independence Square (once the site of the slave market), and the impressive Old Treasury Building, among others.

Locals claim the islands were the first landing place of Columbus, and they have been attracting visitors ever since. Just eight of their 40 islands and cays are inhabited, which means there are so many undiscovered nooks to explore.

Each of the islands in the chain have completely individual and unique styles, but they all boast unbelievably beautiful beaches, gorgeous waters, and pristine underwater reefs. Most of the islands are only 10 minutes apart by plane and are also accessible by boat or ferry.
